"... Dayton filed a lawsuit last week against the Honorable Sacred Knights, which officials describe as a paramilitary group. While announcing the suit last week, Whaley and city commissioners said the rally would pose a violation of Ohio's constitution. That suit was filed in the Montgomery County Court of Common Pleas. ..."

As you may recall, I am your "retired" constituent - who has a “personal” web site: Just Google: Hans AND CassAdy dot ORG. [<http://hansandcassady.org/>]

I have drafted [a HEALTH CARE BILL](#) - based on my extensive research.

Before my retirement, I was a Senior Software Technical Writer - for Corporations - all over the USA: NCR, GE, etc. ([about Susan](#))

My "[draft](#)" [BiLL \[pdf\]](#)- based on considerable [research](#) - of the USA Health Care issue - states my ideas – AND, HOW IT "MY HEALTH CARE PLAN" COULD BE PAID FOR. My design is very "progressive" - However, YOU are a brave person.

It is very clear [that] you think for yourself - AND, your constituents - in Ohio 10. As a practical matter, (I feel) it is the only way [that] "Health Care" can be done fairly and affordably.

[AND, it is the way – in which – Harry S. Truman (1945)– originally envisioned it. [[NIH source](#)]

You may be aware, [that] all Ohio Medical Doctors - go through a "[Medical residency](#)" - during which - they are paid a [salary](#). All of the "Medical School Professors" - who teach them - earn an annual "salary" (about \$165k).

Specifically, USA Medical Doctors do NOT become "business people" - concerned with making a "profit" - until, after completion of "residency" - and, passing the [USMLER](#) exam. My "ideas" – [as stated](#) - would change this.

Mike, I HOPE YOU WILL LOOK AT MY DRAFT Health CARE BILL. ("draft" BiLL [pdf]-) I sent it - to President Trump - very early in his term. He never responded. I am well enough (today) to debate President Trump - on my Bill design - if - he is willing. We could air some of the BIG issues - my "BiLL" idea brings to the fore. He would have to come to my house - here in Ohio District 10. I do not travel. Except - daily - to the YMCA.

Please Note (when viewing my web site) - [that] I am NOT an "official" representative for Senator Kamal Harris. I am waiting - to get clarification - on her policies. It is still early in the selection process.

Again, I appreciate the stand that you took - on the ACA. Just another example of your courage. You are a leader!

"... Republicans Mike Turner of Dayton and Sen. Rob Portman, R-Ohio, emerged as vocal critics of the bill. Turner joined David Joyce of Russell Twp. as the only Ohioans to break with their party and vote against the measure, and Portman made clear that he would vote against the bill in its current form. ..."

As you will see, my "personal" web site is designed to document the learning that I am doing - about ALL political parties.

ALL BEST! And, keep up the good work! - Susan Marie [CassAdy]-Neuhart

"... He sent a letter to Mayor Whaley, encouraging her to plan the same thing. ..." :

... "I write to urge caution as you look to plan any counter event on May 25, the same day a hate group from outside our community intends to hold a rally at Montgomery County's Courthouse Square. While we should take every opportunity to unequivocally condemn these hate groups, I am sure you share my view that everyone should be discouraged from being anywhere near Courthouse Square on that day. Our community should not have one eye see or one ear hear this outside group's hateful message. -- As you know, during my first term as mayor in March of 1994, while Bill Clinton served as our President, around a dozen Ku Klux Klan members held a rally at Courthouse Square. Upon the advice of Jesse Gooding, the President of the Dayton NAACP, the next day we held a larger ceremonial washing of the Square to reclaim the space and wash away the hate. More than 500 people gathered together to condemn hate and hate groups. The event was accompanied by prayers for the community. Just a year later, the Dayton Peace Accords put an end to the Bosnian war. We are a community with a legacy of peace and should take every opportunity to embrace that heritage. Let us not risk public safety or give any opportunity for these hate groups to cause violence in our community.

The tragic and fatal events surrounding the rally in Charlottesville should not be forgotten. In Dayton, our past experience teaches us that ignoring the hate group's event and holding a counter event embracing our diversity as a community the next day diminished the attention the hate group sought and kept the community safe. We do not want to give a stronger voice or greater publicity to these vile hate groups. We should work to bring the entire community together the day after the hate rally for a peaceful symbolic ceremony, as we did in 1994. We know from our past experience that this unifying approach works. I have consulted with Montgomery County Commissioner Debbie Lieberman, who supports the idea of a next day Courthouse Square washing event and similarly is concerned post-Charlottesville that a same day event could be a target for violence.

For the safety of our community, I again urge caution against organizing any events on the same day as this hate rally.

There is a better solution, one that embraces Dayton's history as a beacon of peace and represent who we are as Daytonians. The Dayton region must remain a unified community of peace."

City Commissioners are also set to have an anti-hate community forum on Wednesday, where they discuss a community-wide response to the rally.
