**SUBJECT: Ukraine - Russia – Dec. 9, 2019 – MEETING
& TRAVEL ON EARTH by Americans**

:: <https://www.reuters.com/article/us-russia-ukraine-summit/france-to-host-dec-9-normandy-summit-in-push-for-east-ukraine-peace-idUSKBNIXP1PU>

Dear Presidents Zelensky and Putin,

I am pleased to be informed you are meeting "in Paris on Dec. 9, 2019. ... under what's known as the "Normandy format", with the leaders of France and Germany acting as mediators. [1]

At present, I am a retired person - an American - who lives in Southwest Ohio, USA [zip 45405].

Before my retirement, I did work in American high

technology companies: General Electric, Battelle Research, NCR, SIGRITY, etc. You can read about me at my "personal" web site: <http://hansandcassady.org/> . [resume' [2] You may realize [that] Americans like to take cruises - when they retire from employment. However, also a successful American female business owner [1986 - 1995] - I was able to cruise the St. Lawrence SeaWay - from New York, America to Quebec, Canada - circa 1992 - with my husband Hans. Our USA medical doctor - did prescribe this "relaxation period" for me and my husband. We had a very good - and also relaxing time. In fact, there were no wars in the vicinity of our travel - at that time. Royal Viking Cruises was our host - and, we met people from all over the world. [3]

We used American travel documents: My husband of 37+ years - Hans J. Neuhart - is of Irish and German heritage. I am of Scottish and German heritage: Susan M. Neuhart (nee CassAdy). My maternal grandparents were: Zora E. Sprouse (nee Miller) and George Sprouse. Hans and I were both born in Ohio[USA]. I was highly educated in

Wisconsin. This coming Saturday [December 7, 2019] our two team schools will meet in a sort of "**little American war**" - called football : OSU v Wisconsin - in Indianapolis, Indiana. [4] The winner of this event will earn a trophy and "bragging rights" - plus the opportunity to engage in more football matches. The actual players of the game are highly motivated (to win) - because, each of them has the opportunity to earn millions - of US Dollars - in signed contracts - with professional American football teams. Indeed, my Uncle Pearl's son won the [Heisman trophy for American football in 1955](#). [5] **None the less, I will root for the Wisconsin Badgers - on game day.** Because, I graduated from the University of Wisconsin - Green Bay ([UWGB](#)). Unless, they (the Badgers) play "dirty" - "cheat" - or, attempt "bribery". Then, I will root for the Buckeyes. **"Fairness" is a fundamental tenet of being an American - in 2019.** [6]

Which, this brings me to my question - for you both!

Sirs, before I was a "successful" female business owner **and** Software Engineering Technical Writer - I was a "waitress" - at supper clubs - in Green Bay,

Wisconsin. If you have "dined out" - then, you are aware [that] "food servers" [in America] did depend on the "tips" the customer left on the table - in addition to an hourly working wage. You may realize [that] servers - often mistakenly! - feel that some people - merely by their appearance - will not leave them a tip - at all.

So, because our current American President [Donald J. Trump] has admittedly engaged in "bribery" - and, claimed [that] he could "shoot somebody", speaks "untruths" constantly ... etc.... **IF, I decide to engage in a "river cruise" - in Ukraine and Russia (As I am presently being invited to do.) [6] - will average Ukrainians and Russians [automatically] assume I am (also) a "bad" person - if I wear a shirt - with a USA flag - blazoned on it?**

I was a proud American when I bought this shirt. [7] **- President Trump's behaviour has diminished ALL Americans!**

I never - to my knowledge - worked with a Ukrainian person. I did work with a Russian person - when I was employed by General Electric. I did

work with Chinese people - when I was employed by SIGRITY. I did date a Romanian boy – and, a Vietnamese boy - when I was a student - at Columbus Central High School (1981-1982). [8] **We had Pizza at [Ohio State Univerity “LUMS”](#).**

I have "drafted" a USA Health Plan [that] is the basis of Donald J. Trump's claim - [that] I am a "socialist". [9] In fact, I am an American citizen, a registered USA Democrat - and, remain an "Obama girl" - at this writing. I have not decided which candidate - I will vote for - in November of 2020. I will **not** vote for Donald J. Trump - or, Mike Pence.

I look forward to your reply! You may use my Email address - that, I did submit to you.

(As your Washington DC, USA agents are no doubt aware, my daughter works for the USA-FBI - and, we will not tolerate [espionage](#).)

Very sincerely, - Susan M. Neuhart (nee Cassady)
