Hi Caro [Sister]l, Jay[Pastor], John [Church Hi-Tech] and Hans [husband].

I sent the following message - to the lady that came to Shiloh Church of Christ - on Sunday.

**8-13-2017 Dear Ms. Whitlow (ShawnKeida),** you spoke (today) at the church that I have been visiting. That is, the "Shiloh Church of Christ". Jay McMillian and Pastor Carl Robinson - have been seeing me attend Sunday service for a few months. I thought that I understood you today. Your Message. I want to tell you: Before my stroke ( which was an aneurysm at my Middle Cerebral Artery) [

2012] - I was a "high-tech" worker - all over the USA. My resume' of education and practical work experience is on my web site:

<http://www.hansandcassady.org/>

OR, Google ME terms: Susan Marie CASSADY Neuhart Dawn Hans

(Today) I am physically pretty strong. I do 27 YOGA poses each day - at the YMCA. This takes about 2 hours. Thus, because my body is being re-habilitated ( from the stroke). I consented [ in 2016] to be a part of an experiment ( suggested by Song Zhao - My Neurologist MD - Columbus, Ohio). My web site has the story of the "experiment" that I am a part of - to repair my brain cells. Basically, my husband (Hans) did purchase (for me) a URL. And, I am building a “personal” web site. So far - it appears to be working. My web site has been built and populated 100% by me. I am even learning something new! - that will soon be a part of my web site. It is called Cascading Style Sheets. It was never expected that I could learn something "new". I admit that I am slow to do things. And, that I get confused sometimes. However, I do remember a bunch of stuff - that, I was once very good at: in Science, Technology. Engineering and Math. I think ( stress "think" ) that I may be able to teach and inspire very young people. IF - stress "IF" - we could make it work, I would not charge anything for my efforts.

YOU mentioned "STEM" today. As my resume' makes clear - I was one of the first women - in America - to work 100% successfully - in Hi Tech.

I, in fact, have worked with people from all over the world. I was born and went to Public School - in Columbus, Ohio. Stephen Francis and Mayor Ginther [ City of Columbus ] were talking about bringing me in - to work with them. We bought our single family home - in Dayton Ohio ( in February of 2017). You may talk to Andy or Stephen about me - they mostly knew my cousin - Howard HOPalong Cassady - OSU. He was my Uncle Pearl's boy. My father was Milo Gerald Cassady.

If you would like to talk to me - please eMail me - or, use my web site CONTACT form;

And, I will give you a call. We could take it from there - our first telephone CALL.

My husband would need to approve - because, he is my transportation.

My daughter [ Dawn Marie Burton] would need to approve also. She is the "Deputy Chief of Staff" at the USA FBI. She lives in Washington, DC. Her CONTACT information is on my web site. My daughter's approval is needed - related to the fact that I was sometimes tough on her - when she was a young person. She was born: 8-22-1973. My web site has the story of our today "rocky" relationship. In fact, I may lack the temperament to teach young people.

In addition to Pastor Jay and Carl - I can offer that Mr. Kendricks (Ms. Lillie P. Howard's son- Ben) sees me daily - at the "Kleptz" YMCA. As does Pastor Leroy Chambliss (His office is located at the YMCA).

<http://www.lphconsultants.com/6.html> < This is Lillie's web site

And finally, YOU should know (that) although I appear - to most people ( I think)- to be a Caucasian person - I am of the opinion that my grandmother [ (the) Zora Elizabeth Miller Sprouse Roby ] was an African American woman - born 1883. Again, my web site has information on this subject; AND, an image of my ancestral research (from the 1927 USA Census. ) Zora had 13 children. My mom (Mary) was one of them. My Mom was "white" I always thought. The Census image shows that my Uncles were marked as "negro". My senior sisters saw Zora - before she passed ( in 1953) - she had very dark skin - they stated. I was born in 1954. My mother always said that Zora was "native American". However, I - in fact - have very naturally curly brown hair. My eyes are brown.

If you would like to talk to me - please email me YOUR contact information; And, I will give you a call - at a time that is best for you.

THANK YOU! - Susan
