Dear Mrs. Neuhart,

I find it necessary to inform you that as of October 19, 2017 Orthopedic Associates of Dayton will no longer render medical care to you due to disruptive behavior.

Since your condition requires continued medical attention, I suggest that you place yourself under the care of another physician without delay. If you desire, we will be available for emergency care only for a period of 30 days from the date of this letter so your appointment on November 2, 2017 has been cancelled.

This should give you ample time to select a physician of your choice from the many competent practitioners in this area. You may want to call the local county medical society or contact your insurance company for alternate physician information. With your written authorization, a copy of your medical record will be forwarded to your new physician.

As previously discussed, any and all information pertaining or related to Orthopedic Associates of Dayton needs to be removed from your website immediately.

Sincerely,

J Shott M.D.
